Capability Statement

CORE COMPETENCIES:

Ideal Supplies LLC (IS) brings 25 years of industry experience to the marketplace. We supply a wide variety of environmentally safe industrial cleaning products along with a full line of lighting supplies. Our industry knowledge allows us to provide the appropriate maintenance solutions to the ongoing and ever-changing needs of the industrial, commercial and government markets. We have built a strong reputation by building and maintaining relationships with our customers through our outstanding service, quality products, and fair pricing.

PRODUCTS

- IS manufactures and distributes a full line of top-performing bacterial/enzyme & digestant products for proper drain maintenance, a wide variety of superior all purpose cleaning and degreasing applications.
- Distributor for a wide range of products for cleaning applications in food service, hospitals and general building maintenance
- IS also offers a complete line of commercial lighting products – lamps and fixtures

DIFFERENTIATORS:

IS uses state of the art filling equipment in the manufacturing process that is made of food grade stainless steel insuring quality control of the end products. All of our top-grade raw materials are made in the USA as is all of our packaging.

PAST PERFORMANCE:

Our current customers are primarily national Dialysis Clinics including:

- NAVSUP WSS
- Liberty Military Housing
- Fresenius Medical Care
- Davita
- Dialysis Clinics, Inc
- Innovative Renal Services
- US Renal Healthcare
- Mt Sinai

“I currently utilize IS products at the majority of my facilities to maintain our drains as my drain issues are resolved. Enthusiastically, I recommend these products to anyone experiencing drain problems or to anyone wishing to prevent future drain problems.”

-One of our many satisfied customers.
